Sir:

TERMINAL DISCLAIMER TO OBVIATE A DOUBLE PATENTING REJECTION OVER A PRIOR PATENT

The owners, James T. Morris and Dennis D. Evans, of 100 percent (100%) interest in the instant application, hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of prior Patent No. 6,684,529, as the term of said prior patent is presently shortened by any terminal disclaimer. The owners hereby agree that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owners do not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory

term of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later

expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of

competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR

1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner

terminated prior to the expiration of its full statutory term as presently shortened by any terminal

disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and

that all statements made on information and belief are believed to be true; and further that these

statements were made with the knowledge that willful false statements and the like so made are

punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States

Code and that such willful false statements may jeopardize the validity of the application or any

patent issued thereon.

The Commissioner is hereby authorized to charge \$65.00 to the undersigned's Deposit

Account No. 19-0522. The Commissioner is further authorized to charge any other fees associated

with this communication or credit any overpayment to said Deposit Account No. 19-0522.
